

## Farmer Brown's Noisy Farm

By Mrs. Z

"Brr, brr, brr."

The cows were cold.  
They wanted blankets.

"Ha ha ha. No way",  
said Farmer Brown.

"Cluck, cluck, brr."

The chickens were cold too.  
The cows and chickens agreed: no milk or eggs.

"Grr, grr, grr."

At first, Farmer Brown was angry.  
Then, he became sad.  
"Boo hoo, boo hoo."  
He gave them blankets.

"Wahoo, yeah, hooray!"

The cows and chickens were happy.

"Quack, quack, hey! "

The ducks wanted a diving board.

"Sigh, sigh, sigh."

Farmer Brown gave them their diving board.

"Boing, boing, splish, splash."

The ducks were happy too.
